Project Summary:

Ballard County Board of Education was approved for up to \$4,396 in Ballard County funds to purchase equipment and materials for the operation of its existing greenhouse. For more information about this project, contact Robert Wilson at 270-665-8400 or bob.wilson@ballard.kyschools.us.

The greenhouse is located on the campus of Ballard Memorial High School. The equipment and materials will be used in the production and marketing of horticultural products and in the education of students enrolled in horticulture class.

Students will produce and market spring bedding and gardening plants, and will plant a fall crop afterwards. The produce will be sold to the general public.

The applicant estimates that a minimum of 125 families will benefit from this project.
