

Cattle Genetic Improvement Program: Producer Report

Deadlines for Producer Reports

Producers must complete all relevant questions on the Producer Report before receiving cost-share funds through the Cattle Genetic Improvement Program.

This form is for the Administrator to keep on-file for each Producer receiving cost-share funds, and should aid in filling out the reports for this program.

This information will be used to help the Agricultural Development Board evaluate the economic impact of model programs on Kentucky's agricultural economy.

Administrator Information

County: _____

Application Number: _____

General Information

Producer Name: _____

Farm Serial Number (FSN): _____
